EXPERIENCE OVERVIEW

4-Day Midrange Ngorongoro & Serengeti Safari

Tanzania's two most iconic parks in four days — the Ngorongoro Crater and Serengeti — with quality lodges and private guide.

Focus on Tanzania's two most famous wildlife destinations — the Ngorongoro Crater and Serengeti National Park — on this well-paced 4-day midrange safari. Both parks offer world-class Big Five viewing in dramatically different landscapes.

The Ngorongoro Crater is a natural amphitheater with the highest density of wildlife in Africa, while the Serengeti's endless plains host the Great Migration and Africa's largest lion population. Together, they represent the pinnacle of East African safari experiences.

Stay in comfortable lodges with en-suite rooms, enjoy gourmet meals, and travel privately with an expert guide who maximizes your wildlife encounters.
