EXPERIENCE OVERVIEW

6-Day Marangu Route Kilimanjaro Trek

The classic "Coca-Cola Route" — the only route with hut accommodation. Gentler gradient makes it popular with first-time trekkers and those preferring beds over tents.

Marangu Route — The Classic Kilimanjaro Path

The Marangu Route is the oldest and most established trail on Kilimanjaro. Known as the "Coca-Cola Route," it's the only path offering sleeping huts with mattresses instead of tents. The gentler gradient and direct approach make it a popular choice for first-time high-altitude trekkers.

Hut Accommodation

Unlike all other routes, Marangu provides dormitory-style wooden huts at each camp with beds, mattresses, and dining halls. This makes it ideal for trekkers who prefer not to camp in tents.
