This 3-day budget safari combines two of northern Tanzania's most accessible and wildlife-rich parks. Lake Manyara is famous for its tree-climbing lions, large hippo populations, and flocks of flamingos along the alkaline lake shore.

The Ngorongoro Crater offers unmatched Big Five viewing in a stunning volcanic caldera. Together, these two parks provide diverse ecosystems from lush forests to open grasslands.

An excellent choice for travelers with limited time who want to see diverse wildlife. Both parks are close to Arusha, minimizing driving time and maximizing game viewing.
